SUMMARY

Dedicated frontend developer with a strong foundation in HTML, CSS, and JavaScript. A self-motivated learner who has completed various online courses and personal projects to gain practical knowledge in frontend development. I possess practical experience working with Git and GitHub.

I am committed to expanding my knowledge and skills to become a well-rounded Full Stack Developer. I am actively learning backend technologies such as Node.js and databases like MongoDB.

STRENGTH

🌐 Javascript

🌐 HTML

🌐 CSS

🌐 React

🌐 Git
